Importing The Model Building Libraries

```
[9] from tensorflow.keras.models import Sequential
```

```
[10] from tensorflow.keras.layers import Convolution2D
```

```
[11] from tensorflow.keras.layers import MaxPooling2D
```

```
[12] from tensorflow.keras.layers import Flatten
```

```
[13] from tensorflow.keras.layers import Dense
```

```
[14] import warnings
     warnings.filterwarnings('ignore')
```
